

OVERVIEW

# Description

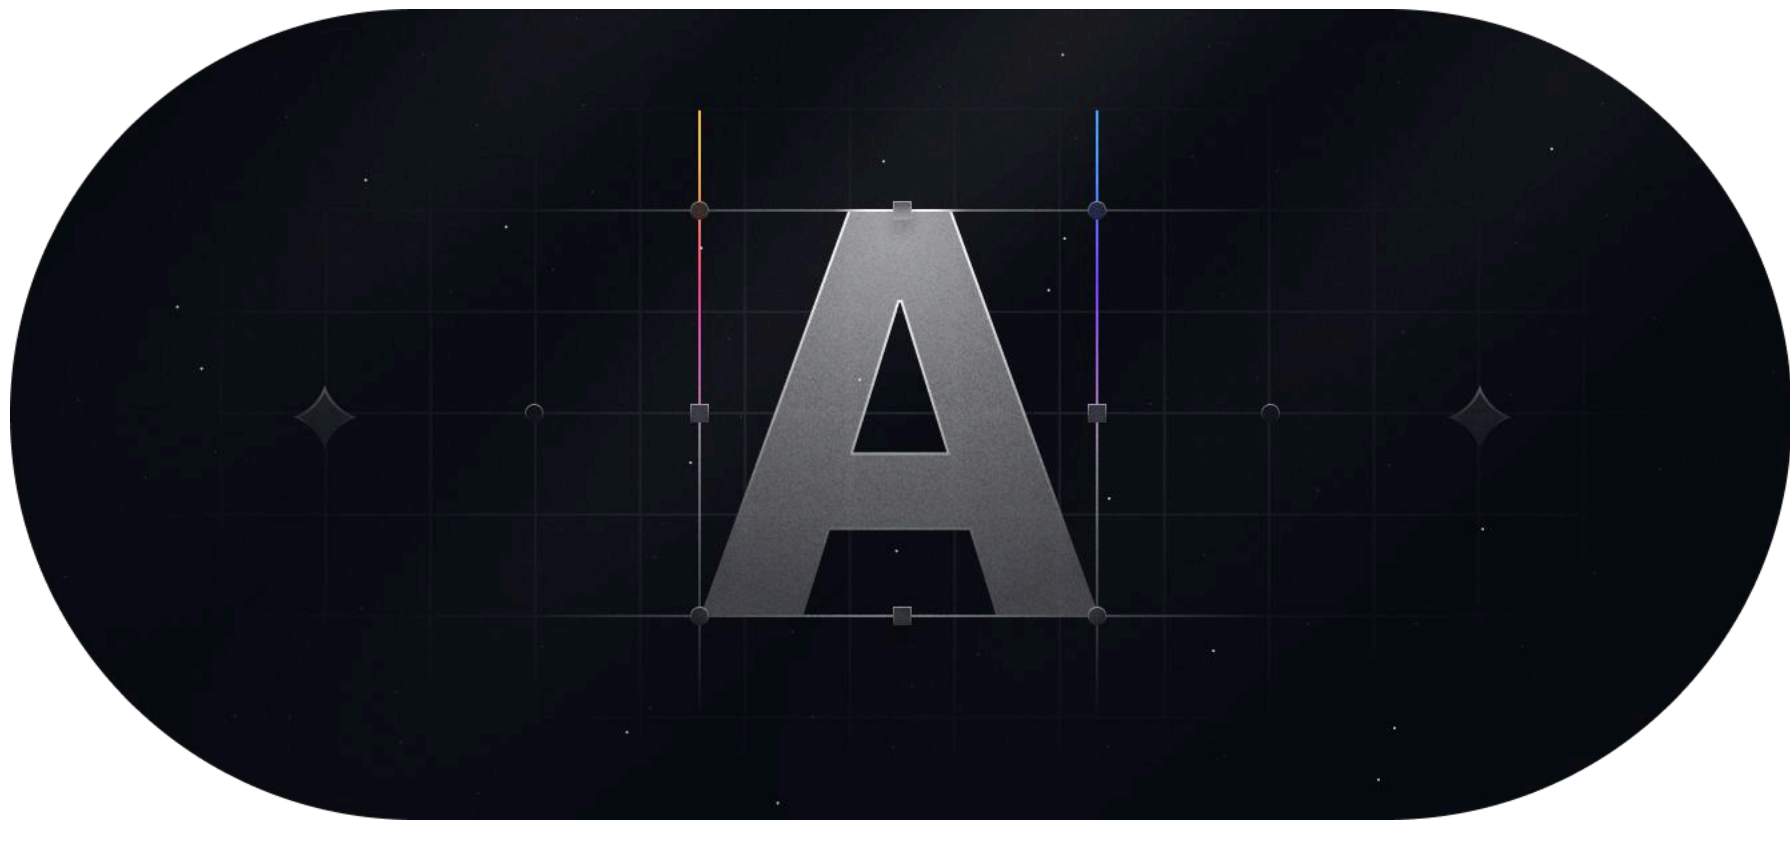

Typography is the art and science of arranging text in a visually pleasing and communicative manner, forming an essential foundation within a design system. It defines how text appears across elements, ensuring a consistent and coherent visual identity.

At AlignUI, we prioritize effective typography to enhance the user experience. So, we have carefully chosen the Inter and Inter Display fonts, crafted by Rasmus Andersson. These fonts strike a balance between readability and aesthetics, making your text clear, elegant, and easy on the eyes.
