

TOOLTIP

Examples

Here you can find various examples for Tooltip for best practices and inspiration.

An email verification form in a light theme. It features a title 'Email Verification' and a subtitle 'Enter your email to get a verification code.' Below the title, there is a label 'Email Address* (Optional)' and a text input field containing 'hello@alignui.com'. A tooltip is displayed over the input field, showing the message 'The email you registered with.' At the bottom, there are two buttons: 'Cancel' and 'Send Code'.

An email verification form in a dark theme. It features a title 'Email Verification' and a subtitle 'Enter your email to get a verification code.' Below the title, there is a label 'Email Address* (Optional)' and a text input field containing 'hello@alignui.com'. A tooltip is displayed over the input field, showing the message 'The email you registered with.' At the bottom, there are two buttons: 'Cancel' and 'Send Code'.
